Spring Ball and Annual General Meeting

A great turnout of members saw 218 enjoy the Spring Ball to the sounds of the *Counterfeit Beatles* and the rattle of wine glasses, plus the odd player on the giant Scalextric.

The AGM, an altogether quieter affair on Sunday morning, attracted 128 members and as an added bonus the first Enzo was on view outside the meeting.

The event is recorded with the help of pictures by Simon Cooke and from new photographer 'on the scene' Christopher Martyr, who shot the Enzo - many thanks!
